

DISPENSATION COMMITTEE NOTICE TO ALL CLUBS

8 MAY 2015

Kia Ora Everyone,

This year the dispensation committee have had to accept a high number of U13s players into the U12s grade, due to the fact that there is no EBOP U13s grade. We have been racking our brains trying to think of a way to accommodate everyone, while still keeping the competition fair and safe for all. We have accepted all but one application, however it is vital that rules are followed without fail. If any dispensated players are making an impact, you (the coaches and managers) are responsible for substituting that player for the rest of the game. We will be monitoring the competition closely, particularly the U12s grade, and if we find that any of the rules below have not been followed correctly, we will be forced to take action. Please pass this message on to all concerned.

All teams and dispensated players that have been approved by the Dispensation committee must abide to the following:

1. Profile of player must be put in the front of teams profile folder and printed on a different coloured card.
2. Before each game the dispensated player/s must be introduced to the opposing coaches and managers.
3. A band will be worn throughout the duration of the game to identify the dispensated player. These will be supplied by the committee at a later date, in the meantime teams are to use tape around the arm to identify their dispensated players.
4. If the dispensated player is making an impact on the field, they must be substituted for the rest of the game.
5. No more than 2 dispensated players on the field at all times, even if your team is short.

If the Dispensation Rules are not adhered to the following will incur:

First offence Points will be given to the other team as a win.

Second offence The dispensation of all players of the offending team will be withdrawn.

Third offence All points will be revoked and the team could face disqualification from the EBOP JAB competition.

Raylene Gage-Te Hau, Chair, EBOP JAB 021 1264104 Complied by the EBOP JAB Dispensation Committee 2014

Dispensations

Updated last on the 8 May 2015
